Re: Payment terms for the 2026 supply agreement

Further to our recent discussions, we write to confirm the payment terms that will apply to all purchase orders placed with Brightwater Linens for the remainder of the 2026 contract year.

Our agreed terms are NET 30, calculated from the date of invoice. Settlement outside these terms may attract the late payment charges set out in clause 11 of the supply agreement.

Please arrange for your accounts payable system to be updated accordingly. We will reflect the same terms on all invoices issued from the date of this letter.

Yours faithfully,

R. Whitcombe

Commercial Director, Brightwater Linens
