

FedEx INVOICE

Account holder: Titan Systems Holdings
Account number: 9265-7748-T
Invoice number: TSH-FX-Q1-026998
Billing period: January 1 – March 31, 2026
Total shipments: 3,000

Quarterly invoice for Titan Systems Holdings' Q1 2026 national distribution operations. ~3,000 shipments rendered as a SINGLE continuous line-items table; the column header is printed only on page 1 and continuation pages (which span ~100 pages) show raw data rows without a re-printed header. This is the worst-case test for the no-repeat-header pattern: the table is long enough that the smart chunker emits many embedding chunks containing rows but no header text. Phase 2.5's per-document header inheritance is what keeps each of those chunks usable for retrieval.
